

My husband and I have been concerned for some time about biased news reporting. It is difficult to understand how special interests have been able to control the news on the media. We do NOT want to see OUR country, the good ol' USA, fall victim to controlled media. We Americans deserve the right to make our own decisions as to what we watch and hear. Local area news should be just that, LOCAL, not controlled by a central source.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
